

Please do not change the Indiana Telephone Privacy Act. I was receiving 2-4 calls per night, usually around the dinner hour, despite repeated requests that they not call again. Now I only hear from charities a couple of times per month. I am now more able to control the advertising that comes into my home, and I want to keep it that way. Please do not change Indiana's Law. We worked hard for our State's law and we like it the way it is. Quiet!!
